Being a member of minority ethnic/cultural community residing in Co. Sligo ,

Subscribing to the mission, vision, objectives and ethos of SIF,

Aged 18 years and over,

Do apply with my free will to become full member of Sligo Intercultural Forum. I am aware that any action (s) contrary to the SIF constitution or other actions including crime (s) that could put SIF in disrepute could trigger this membership revocation without any notice. I am aware that I can appeal that decision to the Executive board in writing.

I am aware that my membership becomes effective after the executive board has approved it and communicated it to me in writing, not merely on the date of application.

I will be entitled to one vote as long as my membership is validated by my active involvement in SIF business and my annual membership is in order 1 day prior to the following AGM.
